## **FIVE STAR COMMAND AND THE NEW RULES OF ENGAGEMENT**

**WHEN: Monday March 14, 2011**

**WHERE: Tilton Prep School – New  
Academic Building**

**30 School Street  
Tilton, NH 03276**

**TIME: 0900-1630 with registration and  
check-in at 0800**

**COST: \$65.00 – Includes lunch and coffee break**  
**Application Deadline, March 4, 2011**

**PRESENTER:** Christopher J. Naum, SFPE is a 35-year fire service veteran.

**Synopsis:**

Combat fire suppression, field operations and training are all being impacted on a variety of levels with demands for increased integration of firefighter safety, expanding risk management, modified tactical protocols and the Rules of Engagement for Combat Fire Suppression for fire service personnel. The Rules of Fireground Engagement have changed; but no one has told you.

**COME JOIN THE DISCUSSION**

## **Chief Christopher J. Naum, SFPE**

*Chief of Training, Command Institute, Washington, DC*

*Second Vice-President, International Society of Fire Service Instructors*

*Board of Directors, IAFC Safety, Health & Survival Section*

*NFFF/Everyone Goes Home New York State Firefighter Safety Advocate*

A 35-year fire service veteran he is the Second Vice President with the International Society of Fire Service Instructors and the Chief of Training for the Command Institute. A highly regarded national instructor and fire officer, he is a distinguished authority on building construction and command risk management, having traveled throughout the United States, United Kingdom, Canada and Asia delivering integrated training programs on building construction, field operations and firefighter safety and was the 1987 ISFSI George D. Post National Fire Instructor of the Year. An Adjunct Instructor with the National Fire Academy and a NFFF/EGH Firefighter Safety Advocate, he is member of the Board of Directors, IAFC Safety, Health & Survival Section, NYSAFC Education Committee and a Contributing Editor with Firehouse Magazine and Firehouse.com where he authors the Structural Anatomy of Buildings on fire column and blog series. He is the Executive Producer of Buildings on fire.com dedicated to building construction, command risk management and firefighter safety and is also the executive producer of two other highly acclaimed eMedia web sites [www.commandsafety.com](http://www.commandsafety.com) and [www.thecompanyofficer.com](http://www.thecompanyofficer.com). In addition he advocates and writes extensively for other various fire service eMedia training forums and groups including FireEMSBlog.com, FireEngineering.com, FireRescue1.com, TargetSafety.com and Firefighter Nation.com. He has served on numerous, NFPA, FEMA, USFA, IAFC and ISFSI committees and task forces.

A former architect, fire protection engineer and college fire science program coordinator, he spent over thirty years in the volunteer fire service system in New York; with over twenty years as a company officer and is presently a technical reviewer to the NIOSH Firefighter Fatality Investigation and Prevention Program, Firefighter LODD Reports & Investigations. Naum has developed and delivered training to over 200,000 personnel nationally and internationally throughout his career and is a noted author, lecturer and advocate on firefighter safety and operational excellence in the Fire Service. He presently hosts the national syndicated monthly radio show Taking it to the Streets on FireFighternetcast.com and delivers his building construction & firefighter safety training series throughout the United States and internationally.
